# MothSutra

(& matters of migration,  
love, and identity)

## A Visual Poetry Reading

American Book Award recipient, PEN award-winning poet and short story writer Russell C. Leong of UCLA and Hunter College reads from his newest visual work, *MothSutra*, a meditation on New York's Chinese food delivery men. He also reads poems on love and diasporic Chinese identity. Premiered in New York City at the Bowery Poetry Club, this is the *MothSutra*'s first reading in Asia. "Like a river of energy, like an electric current of compassion, *MothSutra* is a unique book. *Mothsutra* delivers." (Bob Holman, Columbia University). The reading is accompanied by Leong's visual images that are part of this book.
